1. *What was your response to our actions in the field?*
2. *Should we have done nothing? Would that have saved us from the trauma of the experience?*
3. *What do you think about our four alternatives?*
4. *What would you have done? What other solutions spring to mind that may have changed the outcome(s)?*
5. Reflection: Would you have the time and/or energy to devote to Suman's health status and interventions on her behalf?
